Benchmarks of Beauty.  
Echelons of Excellence.

## ABOUT

In a rapidly evolving world of architectural hardware, the rising star ORICON has well established itself thanks to its impeccable quality and unequivocal designs. An ensemble of high-caliber aesthetic that comes pre-loaded with top notch quality is an irresistible reason for discerning consumers to vouch for one name only – ORICON.

The glorious track record of brand ORICON is replete with numerous hurdles and challenges that we crossed successfully by adhering to strong business ethics and protocols. Our zero tolerance for errors makes us a frontline player in this field and a highly trusted name for the clients. From concept to carrier, our products bear the ORICON benchmark of engineering perfection, design distinction and consumer satisfaction.

In a short span from our inception, we have won many milestones of achievement. Today, paused to take the quantum leap of growth, we envisage ourselves as the Most Preferred brand for those who seek quality, value for money and lifetime of happiness.

## OUR PHILOSOPHY

Deliver more than expectation, and your customer will come back to you only. This is the mantra that we have ingrained into our corporate culture and at every stage we ensure we surpass the conventional limits of expectations – be it material quality, delivery timeline or consumer delight.

welcome to the beautiful world of,

# BECAUSE COLOURS MATTER!

a formal but at the same time modern proposal: this is PVD, the collection featured by a long lasting style perfect in every bathroom. the color palette can revolutionize the bathroom. BLACK and BRONZE shades are more glamorous, GOLD brighter and deeper tones turn the style in a personal statement.

**PVD**  
COLLECTION

PVD COLOR AVAILABLE IN  
QUBIX, OPEL & MARVEL COLLECTION

● BRONZE ○ BLACK ● GOLD

oriconbathware.com

## PVD BRONZE STAR

the texturized and silky effect of the bronze star finish blends in with the colors of upholstery and accessories while the contrasting effect of the concrete top enhances the lines and geometry of the faucets.

PVD COLOR AVAILABLE IN  
**QUBIX, OPEL & MARVEL COLLECTION**

● BRONZE ● BLACK ● GOLD

## PVD TRUE BLACK

the texturized and winning effect of true black evokes timeless atmospheres. the minimal style of the mixer emphasizes the spaces while conferring elegance and glamour to the surfaces.

PVD COLOR AVAILABLE IN  
**QUBIX, OPEL & MARVEL COLLECTION**

● BRONZE ● BLACK ● GOLD

## PVD GOLD PEARL

the gold-pearl finish, with the industrial style of the lever, adds to a modern and trendy look. a refined finish for a wow effect when matched to equally luxurious accessories and interior decorations.

PVD COLOR AVAILABLE IN  
**QUBIX, OPEL & MARVEL COLLECTION**

● BRONZE ● BLACK ● GOLD

## QUBIX PREMIUM COLLECTION

## PRODUCT CARE

- **The Best General Maintenance Is Regular Cleaning – Wipe The Tap With A Dry Towel After Use.**

Even though our finishes are considered durable, you should never use any abrasive type cleaners, clothes, or pads to clean your fixtures. Always try and keep your finishes clean and dry. Trapped moisture on the surface of your finish can lead to staining and scaling. Astringent cleaners, chlorine, bleach, along with acidic based organic cleansers are potentially harmful to these finishes. Chrome plated finishes are very tarnish resistant. However, they are not indestructible and can scratch and mar.

- Do not allow water spots to dry on the fixture. Keep the surface clean and dry after use.
- Periodic cleaning can be done by applying mild soap with a soft clean cloth to gently remove surface spots.
- Never use cleaners with bleach, abrasives, or vinegar. Never use any type of abrasive pad or sponge.

- **What Cleaning Products Can Cause Damage To Finishes?**

Always blot dry any water from faucet surface. Allowing water to evaporate on the surface can lead to build up of mineral deposits. Cleaning with a damp non-abrasive sponge and buffing it dry with a clean soft cloth should help keep your product looking beautiful. To remove water spots, use warm water and a soft, damp cloth. Hard water stains may be removed using a 50/50 solution of white vinegar and water. Make certain that you rinse thoroughly with water afterward.

- Avoid using the following which can damage your finish.
- Avoid industrial cleaners and abrasive cleaners, such as those used for toilet bowls, green Scotch Brite heavy duty scrub sponges, Scrubbing Bubbles Bathroom Cleaner and Lysol Basin Tub, Soft Scrub, and Tile Cleaner.
- Avoid products that state on the label that they remove tarnish and rust, and those containing hydrofluoric, hydrochloric and/or phosphoric acids and caustic agents.
- Avoid harsh abrasives or polishes. • Avoid bleach-based cleaners.

- **Please Note:**

We are committed to providing you with the best quality and cosmetic finish to your sparkling new faucet each time, every time. Please ensure the installer, technician or plumbers handle and install the product with due diligence, it is very easy for someone to blame a third party if the product is damaged.

## WARRANTY

- **CONDITIONS OF WARRANTY**

- In case of only manufacturing defect in the product, company shall either repair the defect or replace the piece with a product of equivalent value.
- This warranty will not be valid for the products for or parts there of that don't use original company spare parts and which have been repaired by unauthorized / unqualified persons.
- In case of any amendment made to the certificate, this warranty is non-transferable and invalid.
- The customer will have to bear the risk and cost of returning the product that is found to be defective during the specified period to company.
- Company shall not be liable for any incidental, consequential, exemplary, special or punitive damages, or for any loss of revenue, profit or use arising out of breach of this warranty or in connection with the sale, maintenance, use, operation or repair of any company product. In no event will company be liable for any amount greater than the purchase price of a defective product.
- This warranty specifically excludes hoses, rubber components and other consumable.
- Customer are required to keep original invoice and warranty card safely and need to produce the same when asked in order to avail this warranty.
- Damage of any product or parts there of due to any of the following causes will not be covered under this warranty.
  - (a) User's or its agent's misuse, negligence, accident or faulty installation.
  - (b) Improper maintenance of the product by not abiding the company printed instruction manual / customer guidelines.
  - (c) Dirt, lime-scale or aggressive cleaning chemicals.
  - (d) Unauthorized alterations to the products.
  - (e) Normal wear tear.

## BECAUSE EVERY DROP COUNTS.

#SAVE WATER

So When You **Waste Water Now, You  
are Just Drying** Up Your Own Future.

Although the Earth is more than 70% of water, the potable and drinkable water is a tiny part of entire volume. Freshwater makes up a very small fraction of all water on the planet. While nearly 70 percent of the world is covered by water, only 2.5 percent of it is fresh. The rest is saline and ocean-based. Even then, just 1 percent of our freshwater is easily accessible, with much of it trapped in glaciers & snowfields.
